

LinkedList< T >::Node

+ data

+next

```
classDiagram
    class Node {
        +data
        +next
    }
    Node --> Node : next
```

The diagram shows a class box for 'LinkedList< T >::Node'. It has two compartments: the top one contains the class name, and the bottom one contains the attribute '+ data'. A third, empty compartment is at the bottom. A curved line with an open diamond at the end connects the right side of the box to the label '+next'.
